The Honorable Rosa Delauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member Delauro,

I am requesting funding for the Allen Road Water Main Replacement in fiscal year 2025. The entity to receive this funding is the City of Allen Park, located at 15915 Southfield Road Allen Park, MI 48101.

The funding would be used to replace the water main for Allen Road between Southfield Road and Roosevelt Avenue. This watermain was first installed in 1933, and it has exceeded its expected useful life. This is a valuable use of taxpayer funds because this project will ensure that the impacted communities and businesses have access to safe drinking water, and it will strengthen the community's infrastructure for years to come.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Shri Thanedar".
