Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for City of Detroit Airport Construction of Taxiway B in fiscal year 2024. The entity to receive funding for this project is City of Detroit Airport, located at 11499 Conner Street, Detroit, MI 48213 .

The funding would be used for developing new facilities and buildings in a traditionally economically challenged area will be a boon to surrounding neighborhoods. The project is an appropriate use of taxpayer funds because this project would generate more business and job opportunities for the City's east side and the entire Metro Area.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Shri Thanedar".
