The Honorable Rosa Delauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member Delauro,

I am requesting funding for the City of Wyandotte Lead Service Line Replacement project in fiscal year 2025. The entity to receive funding for this project is the Wyandotte Municipal Services located at 3200 Biddle Ave #200, Wyandotte, MI 48192.

The funding would be used to remove lead service lines in Wyandotte, Michigan. The City identified over 1,000 lead lines still in use that pose a threat to residents. This is a valuable use of taxpayer dollars because of the threat that lead water lines pose to human safety.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Shri Thanedar".
